

Natural Horsemanship Clinics

Maria Lee

"Horsemanship In Harmony"

For 2010 I'm offering **monthly "mini-clinics"** again. The topics will be progressive and cover a variety of skills for all disciplines.

I've had great feedback on the shorter sessions. The riders and horses don't get tired & overwhelmed with new info, and the lower cost allows riders to participate in more clinics.

You can find more info on each clinic topic & event details on my website at: **www.marialee.org**

You may call to reserve a rider position or register on line. Feel free to call or email with questions.

Thanks!

Clinics hosted at **Sky View Stables** unless otherwise noted. Contact me if you would like one hosted at your stable.

Schedule

Sessions will be 3hrs long with approx. 1 hr ground preparation and 2 hrs riding.

Riders \$65 / Auditors Free

Accepting 5-8 riders depending on facility & topic
